TRADING IN DEATH

"There is no such thing as Soviet technology. Almost all -- perhaps 90 to 95 percent -- came directly or indirectly from the United States and its allies. In effect the United States and the NATO countries have built the Soviet Union -- its industrial and its military capabilities. The massive construction job has taken 50 years, since the Revolution in 1917. It has been carried out through trade and the sale of plants, equipment and technical assistance....Fifty years of dealings with the Soviets has been an economic success for the USSR and a political failure for the United States. It has not stopped war, it has not given us peace. The United States is spending $80 billion a year on defense against an enemy built by the United States and West Europe. Even stranger, the U.S. apparently wants to make sure this enemy remains in the business of being an enemy." -- Testimony of Antony C. Sutton, Research Fellow with the Hoover Institution on War, Revolution and Peace, before the platform committee of the Republican national convention August 16, 1972

On that same date, August 16, I brought Mr. Sutton's evidence and conclusions to the attention of my colleagues in Congress and to the press throughout the country. Here are excerpts from my statement to the House of Representatives:

"Mr. Speaker, the most despicable practice I have encountered in my lifetime is that of successive Republican and Democrat Administrations in carrying on aid and trade with the Communist nations which supply the weapons to kill our men in Vietnam. How any Member of this body, who supports such action, can go home and sleep with a clear conscience, is beyond my understanding. Many of them have sons, like mine, who some day will serve in our armed forces if they are not already doing so, and may well be a target for those weapons whose manufacture we make possible.

"In Arlington Cemetery we keep a 24-hour watch over our honored dead, who made the supreme sacrifice to defend our country and freedom against its foes. Their loved ones mourn them still, and will never forget them. Many of these dead would be alive today if we had not done so much to build up and sustain the economy of the Soviet and satellite nations for the last half-century. But as long as the dollars roll in to fill the coffers of the 'big money' men who in turn make many of the largest contributions to both Republican and Democrat Presidential candidates, those who profit from aid and trade with the enemy couldn't care less about the cost in blood paid in places like Korea and Vietnam. Business and hypocrisy of the highest order must be carried on -- as usual."

Referring to Mr. Sutton's evidence and conclusions, I said that "it is imperative that every Member of this body read what he has to say -- and act accordingly." My statement concluded as follows:

"Mr. Sutton says that 'this information has been blacked out by successive Administrations.' I intend to see that it is blacked out no longer.... For once, let us submerge our differences and unite on an issue on which every man of conscience and honor in this country ought to be able to agree. These facts must not be suppressed or ignored because of concern about face-saving or a desire to pretend that unpleasant truths do not exist. Those who fail to print and publicize Mr. Sutton's evidence do so at the peril of the life-blood of America.

"Nor can it be hidden much longer in any case. This story will become too big to kill. You remember the old saying 'murder will out.' What Mr. Sutton reports is a very sophisticated kind of murder; the bodies involved are those of our own young men, crying out from their graves for justice. The truth about this murder through trade with the enemy is coming out, and it will be heard."

TEST FOR ALL "WELFARE" LEGISLATION: 1) IS IT CONSTITUTIONAL? 2) CAN WE AFFORD IT?

Vol.2,No.11, Sept.11,1972. A private newsletter by Herbert Ellison Smith to The American Independent Party and other Patriots. Subscription: $2 Federal Reserve Scrip.Postage stamps okay.

"ILL FARES THE LAND, to hastening ills a prey, Where power accumulates, *and men decay; Princes* and lords may flourish or may fade; A breath can make them, as a breath has made; But a bold peasantry, their country's pride, When once destroy'd, can never be supplied".[The Deserted Village, by Oliver Goldsmith]. Ye editor updates that solemn 18th century warning by substituting "power" for wealth; "politicians betray" instead of and men decay; " vote" for breath ; and John Schmitz's "hard-working, middle Americans" for bold peasantry.

JOHN SCHMITZ BOILS DOWN THE A.I.P. PLATFORM into 2 powerful statements: "Never go to war without planning to WIN" ,and,"Those who work should live better than those who refuse to work"!! Our platform has many solid planks; our Team is a Christian Team--THE SCHMITZ-ANDERSON TEAM. The voters will buy this platform-elect these men IF we, as responsible individuals, take this platform to them. This is our privilege and our duty...our date with destiny,November 7.

THE SO-CALLED "2-PARTY SYSTEM", or, as John puts it, "The two left wings of the Socialist Party". is dedicated to subvert our constitutional republic. REMEMBER: America was a REPUBLIC for 127 years-from 1787 [when the Constitution was adopted], until 1913, when Wilson, the first pseudo-intellectual in the White House, signed the Iniquitous 16th Amdt. into law and then turned left again and signed the "Federal Reserve System". But Wilson had the support of both houses of congress and both wings of the Socialist party, alias "Democrats and Republicans", in foisting these communistic abominations upon us.This bi-partisn treason has been followed for the past 60 years.. One thing's for SURE:neither 'wing' of this Conspiracy is gonna suddenly "git religion"; admit their treasonous stupidity; reverse themselves by unwinding the snarls and returning to the built-in safeguards of the Constitution. THIS IS THE JOB FOR THE A.I.P!

A VOTE FOR NIXON IS A VOTE FOR MCGOVERN. The only "difference" is the label.They're both bums!! The monyay they promise to give away, in exchange for votes, is not theirs to give. It was painfully extracted by seizing your property [wages] via the Marxist "income tax--redistribution of wealth" 16th Amdt.and is being used to buy the votes of loafers,sitting idly on their big, fat apathies. AND, to continue to subsidize our mortal enemy, the Sino-Soviet Conspiracy, dba"The United Nations".. If that Pagan Trap is 'united' in anything, it is for the total destruction of our national sovereignty.The hidden plot: subvert and submerge America into a mere satrapy of the CFR -dominated "one-world government", where man is nothing, the state ALL. GET U.S.OUT!!

"YOU ARE CONDEMNED TO DIE NOVEMBER 7"!! Not you, personally, but the constitutional republic we know and love is doomed to die an ignominous death Nov.7th, if either Tweedle DEE nixon or Tweedle DUM mcgovern hoodwinks enough people to elect them.Their promises are naked lies--just like "the emperor's clothes"!!! How can anyone doubt that both candidates are owned,"body, britches and soul",IF ANY, by ADA-ADL-CFR- tax-exempt, power-mad internationalists??? And, what genuine AMERICAN wouldn't prefer being dead, than Red!!Who wants their children to be serfs to an all-powerful 'central state'? SO, don't be "tweedle-deed nor tweedle-dum'd". LET'S TURN BACK SOCIALISM-STATISM. STAND UP FOR AMERICA. ELECT SCHMITZ-ANDERSON--AND REMAIN FREE.

IF WE ARE TO SURVIVE AS A SOVEREIGN NATION, 4 steps are imperative: 1] Reinstate The Monroe Doctrine . This will keep us out of all foreign No-Win Wars! : 2] *Enact The Liberty Amendment.* This will take Big Brother's hand out of our pockets; revive personal risk-and-gain ,competitive free enterprise, under God; remove tax-exemption from CFR-dominated foundations; restore a vigorous, profitable economy; provide millions of well-paying jobs for American working men and women,[instead of exporting these jobs to slave nations]; 3] Kill the "Federal Reserve Fraud", alias Regional Government,and which is actually another tax-exempt, private banking cartel; 4] ELECT all judges, and not for life-tenure, but subject to reveiw--just like any other candidate! Consider: Federal judges are the only American officials with lifetime sinecures. The only other lifetime jobs are those of dictators and kings, in foreign lands!. These political appointees have become so arrogant that they think they are not only above the law--but they ARE the Law!! This is in strict violation of the Constitution that provides for three separate,but equal branches of elected government...Judges have usurped legitimate powers of congress and the executive branches....The Judicial is the blindspot on the ballot.. a most dangerous situation, that must be changed. Be informed: Read, study and apply the carefully documented facts in "The Federal Judges"outlined in The Herald of Freedom, Vol.XXI, No.13, July 21,1972 issue.THEN ACT !

THE ABOVE FOUR IMPERATIVES ARE PART OF THE AMERICAN INDEPENDENT PARTY PLATFORM..it's BEEYOOTIFUL! Someone has said, "Anyone who won't "BUY" this platform, would shoot his mother"!!

[MORE]

THE CFR CONSPIRACY. This internationalist cabal ostensibly consists of 1,400 persons, mostly men, but the roster does include a few women.There are 700"Resident Members"..... those living within a 100-mile radius of NYC. The other 700 are "Non-Resident Members", spread across the Nation, and a few abroad, including many famous bankers; quite a few military men, lawyers, columnists, publishers,etc...the top echelon industrialists,etc. There is also an interlocking membership in the Atlantic Union; Carnegie Foundation for International Peace; Ford Foundation,etc. Some of the names are hard to pronounce--a high % of the "bretheren".. As may be suspected, Henry Kissinger is one of the shining lights, as are the Rockefellers, Adam Yarmolinsky,Dean Acheson, Charles Yost, Dubinsky, Henry Wriston, Jacob Javits, Notre Dame's Father Hesburgh, both of the Bundy brothers, Rev. Henry Van Dusen, Birch Bayh, John Lindsay,etc. etc. nize peebles!Vy nodt?

THE NIXON "ADMINISTRATION" [KAKISTOCRACY, by definition,"government by the worst men"], has a control cadre, alias "Presidential Advisers", who are members of the CFR, that Dan Smoot rightly named "The Invisible Government"..This means that 205 MILLION Americans are controlled by this CFR control cadre of 100 non-elected officials, or .7% of the CFR membership! Richard Nixon states that he was a member, for one year, back in the early 50s.However, his "keeper", Kissinger, IS a member! Furthermore, Kissinger did NOT have security clearance until T.D."appointed" him!

THE INNER WORKINGS OF THE CFR "INVISIBLE GOVERNMENT": This Conspiracy realized that it couldn't get away with putting Henry in the White House. ZO,glory-seeking, subservient Richard was put in to mouth the "Peace line",the non-elected President Kissinger brings back from his Red masters. Tricky Richard then 'announces' these orders as his policies! NEXT: Since the public has not yet been sufficiently 'conditioned' to surrender our national sovereignty, more time is required; and since an incumbent is harder to oust, the Conspiracy selected Comrade mcgovern to run against him, knowing full well that when the voters discover that mcgovern was a deserter in the Roosevelt War; that he was a sponsor-member of the Communist "Peace" Offensive, A Campaign to Disarm and Defeat the United States [as clearly documented in the "Report of the House Committee on Un-American Activities", April 1,1951--166 pages].This Report is now "out of print"! But, the L.A. Public Library has 2 copies,one reference,one circulating.Ask for R 335.40973 U533-6. This Report is also available in these "Depository Libraries": Kern County Library; Fresno County Free Library; Long Beach Public Library; Cal-Tech Library, Pasadena; Riverside Public Library; Sacramento City Library; San Diego Public Library; Mechanics' Institute Library, S.F.;Stockton Public Library, and many other libraries designated by Congress as "Depository Libraries".

CFR STRATEGY: Comrade McGovern will look so evil when the voters discover that this pal of W.E.B. Dubois, Paul Robeson, Linus Pauling, et al[named in the above Report] they will turn from him in horror and revulsion, and by comparison Tricky Dicky will look like Mr. Conservative! This is why we say,"A vote for Nixon is a vote for Mcgovern".. Then, according to the CFR strategy, T.D. will have "four more years" in which to destroy our loved land; surrender our national sovereignty, and subvert America into the status of paymaster in a one-world government! But, there's more: IF T.D. tarries too long; IF the public wakes up and resists this surrender, the "McGovern Program"-Instant Income; Instant abortions; Instant amnesty for deserters,etc. will become more palatable-the trial baloon will have"conditioned" the non-thinking loafers into acceptance of pie-in-the sky--and all for free. THINK ABOUT IT. PRAY GOD FOR AN AWAKENING.

oooooo

HOW TO RECRUIT NEW MEMBERS: Go anywhere today and one hears ,"Believe me, I won't vote for McGovern--he's horrible--I'll just have to vote for Nixon"! Give such person one of our Platforms; remind himthat we DO have a choice-a legitimate choice--an American Team of Patriots-the Schmitz-Anderson Team..At this point many will say, "Oh, I'll vote for Schmitz, but I won't change my party".. Tell 'em: "We appreciate your good intentions, but we need 'warm bodies". Let 'em know, you DO have a choice but ONLY because we have fought and worked to keep the SECOND PARTY alive..but that if enough people 'drop out' we may lose our ballot position..then where will you go! Relate the facts that because Tom Goodloe got so many votes, this gave us ballot position through 1974...point up the importance of just ONE individual vote--his vote! Be patiently persistent--You're fighting for the freedom of yourself--your children. WORK.PRAY.

oooooo

"CONSERVATIVE STRATEGY" has been all wrong..For years we've been mislead.. told to forget the Presidency--but to concentrate on electing"conservative congressmen",etc'. PROOF: 25 years ago there were 189 congressmen whose voting records were 60% conservative--38 members of the Senate! Today there are 14 --yes only FOURTEEN conservatives in the House--only 5 in the Senate... AND each-and-every occupant of the White House, since Coolidge has been a one-world Socialist. OKAY, let's elect Schmitz--He will automaticlly pull in conservatives with him..2 years later, we'll elect several more..By nature,all politicians follow a leader.. Voting is a habit. Get people to vote three times for A.I.P. and we've got it made.. Be patient, persistent--WORK.

The attached Schmitz Report is excellent ammunition.. Anyone who reads it can be registered. Let's face it: We are fighting a rear-guard action. IF this blessed land is saved, THE AMERICAN INDEPENDENT PARTY WILL DO IT.. THE 'Republi-Crats'have been selling us down the sewer for 60 years.. We have everything to gain. With lots of hard work, constant prayer-with God's help,we can preserve the great heritage, bought with the blood, dedication and sacrifice of our Founding Fathers.. If we fail, our children will become slaves of an all-powerful central state.. But we dare not fail...If freedom falls, who or what can stand?. Brand it on your heart: Freedom without government is anarchy.. Government without freedom is dictatorship..

STAND UP-"OUIT US LIKE MEN"! WE HAVE THE MEN, THE MOTIVE,THE PLATFORM... ELECT SCHMITZ-ANDERSON
