Dear Richard and Maryann,

One of the terrible things about television is you're always rushing around so much that you never have a chance to properly say goodbye to people, or to properly say thank you. I'm afraid we left your home in such haste that we did not have the chance to do those things. While it's not enough simply to type it on a sheet of paper, I'll do it anyway. Thanks.

You know, we meet a lot of people in our work. That is often one of the pleasant things about it; sometimes it can be unpleasant too I suppose. But really, I guess when you get right down to it, that's what journalism is all about. People. And, by the time we left Rolling Meadows and the Johnson home, we were all agreed that we had spent a week with about the nicest people we'd met in quite a while.

We've nearly completed our editing chores; the film is nearly finished. I can assure you, all of you look fine, and sound wonderful. The date of showing remains February 9, at 7 p.m. CST. The series title is A Public Affair/Election '72. Channel 11 in Chicago. I hope you like it. I do.

Again, our thanks, our warmest regards to the kids, and best wishes for a fine year for you all.

Sincerely,

Robert Lissit
