Merry Christmas and Happy New Years to all our friends. 1996 has been a great year for us.

If it's not too boring Let's recap...

Kathy...

Looking Great, Feeling Good and after 11 years still able to keep the interest of her man... life is pretty good to Kath.

Loved our summer vacation to Prairie Dunes Country Club in Kansas. Next year she wants to go for 2 whole weeks. Ask her about it.

Ever busy as always, she shuttles the kids back and forth, works a little out of the home, and tries to keep a lid on the house. She took a couple ladies trips to Colorado and Phoenix this year to try and keep her sanity.

Bryan...

Along with his brothers he is taking martial arts class twice a week at the local dojo. He has attained his yellow belt with plans on trying for his orange soon. He plays baseball and struggled a bit when he moved up to a league of older boys. Next year he'll be the oldest and we look for him to start banging that ball.

Ben...

Our lefty Ben has had a busy year with soccer, baseball and karate. He was a star

Bryan 10 "B" or "BJ" Karate, Mysteries 4th	Ben 8 "BenJAMMIN" or "Tank" Soccer, Baseball 2nd	Brett 6 "Stonewall" Causin Trouble Kindergarten	Brad 4 "Harley Dude" Motorcycles, Cigars Pre-School

forward for "The Blues" soccer team in outdoor play this summer. Doing well in school, we were all proud of him and brother Bryan as they made their first communion last week.

Brett...

So far this year, no emergency room for him at all, knock on wood. Now in afternoon Kindergarten he is progressing quite well and has yet to be suspended or expelled. He started Soccer this year too, but his team failed to win a game. Next year tho, Stonewall will be after 'em.

Brad...

No longer infatuated with dressing as Snow White, he has now swung the otherway dressing as a Harley biker and carrying around his own Cuban Cigar. Just started Karate and is just the right size for painful kicks to male antagonists of adult height. Yeow...

Rick...

Golf...Golf... Golf... Golf.... Prairie Dunes, Royal Melbourne... Golf... Golf...
