Dear Dick,

I'm sorry it's taken so long to get this check to you, but you, of all people, probably know how hard it is to make an accounting department move quickly. I just hope we haven't caused you too great an inconvenience.

Anyway, this has given me an opportunity to thank you once again for being such a willing "human guinea pig". This being the day after the show aired, we're all doubly grateful to you because people have been praising the program all day.

If the comments we've been hearing are any indication, there must be at least a million members of the "Richard Johnson Fan Club" in this country. Somehow, you managed to speak for many, many people.

I'd be interested in knowing what you and Mary Ann thought of the program. Meanwhile, I think you might be interested in seeing how famous you have become; I'm enclosing copies of various press clippings, including a story that made the Herald Tribune in Paris!

Once again, thank you.

Sincerely,

Bob Fissit

P.S. We'll forward cassettes of your conversations with the Senator next week.
