Subject: A New Filly For Red Rabbit Racing!

Dear Red Rabbit Racing Fans,

With great pride we announce the claiming of Salt Syn, a 4 year old Kentucky bred filly which joined our stable yesterday. We got her in a 35k race where she finished a strong second a half length behind the leader. She comes with a strong record, being in the money over half the time and winning in more than 33% of her races.

In the picture below, wife Kathy (The Horse Whisperer Herself) imparts a few pearls of wisdom to our new mule. I will be amazed if the horse can run after she digests Kathy's advice. I have not updated the web site - but will do that in a couple days with all of the snaps of Salt Syn. We will be entering her in her next race at Arlington - planned to be in the July timeframe. As dates firm up, I will be sure to let you all know.

Good Luck And Good Racing!

Regards, Rick
