Cypress Trees in Florida

Mr. Johnson V. I. P.

Dear Rich

Just had to tell you we watched you on TV and you came thru very well. You were enthusiastic both on the tapes we listened to, and also on the program. We were with the Furas at Eugene Sawyers for dinner, and then there were six of us gathered around to watch you. It was quite an experience to be on the inside, right? And we'd like to hear more about it even after the election has been over with, like next June. Especially like the end when the family welcomed you home. Sincerely Eu Koi
