Dear Mary Ann and Rich:-

After watching the T.V. show on Channel 11 last night, I have to write a few letter. I had so many nostalgic moments about Maplewood Ave. and Bethesda Church and thoroughly enjoyed everything. Got quite a thrill to see you and your very nice family in our living room.

We love living here especially since we see all the Chicago T.V. so we keep up with everything. We read "The Trib" and "The Daily News" every day.

Stan works three evenings a week at the University Library so he didn't see the program. We also bought our first house and had a garden and flowers this year which we enjoyed a lot.

Judy and Mary keep so busy too. She is teaching 5th grade at Immanuel Luth. School full time. The girls attend the same school.

I'm sorry that your folks couldn't have seen the program.

Hope they are well.

We belong to a very large church here but also very active. Always something going on.

Again, congratulations to you all for a very fine morning and natural look at a very nice family.

Our best wishes to you all.

The Stan Bowins

Do you ever see the Witmers?
