Dear Mr. Johnson:

As always, I appreciate very much your talking to us and your friendly cooperation. Enclosed is a copy of our latest story on your "career." You might be interested in knowing that it appeared in all our papers on Friday.

Thank you, again, Mr. Johnson for your help. If you would ever like to talk to us on a matter, please feel free to call. I hope we can continue to stay in touch in the future when other "Dick Johnson - Mr. Average American" issues might arise!

Thank you very much.

Sincerely,

Pori Ginnetti
