Dear Mary Ann & Richard:-

Hope you both have a nice anniversary. God Bless you Both: you have some wonderful results of your marriage.

Saw your picture Richard & Ricky in paper the other day. that trip must of been a very interesting experience for you. I didn't get to read the paper yet when Betty called me and asked if we saw it just then while on the phone Glad brought the paper to show me. We are glad they chose you for the honor see what happens when you get on T V ? They couldn't a picked a better man you have personality. I better

quit before I praise you too high and hard to live with for Mary Ann too bad she couldn't get in on it to.

Thank you both for the nice anniv. card. we got quite a few one from Wittmers tho they never forget.

Got a nice letter from Diane today she seems to like it there very much. Its hard on Joyce's having her away but thats life it goes on and on no matter what happens to us. But its good she still has Sue & Barb home yet for awhile. We were there last Sat. and at Marilyn's Sun. Today is their anniv.

Will close for now.

Love to all

Edna & Mr. R.
