August 9, 1973

Mr. Dick Johnson
2402 Willow Lane
Rolling Meadows, Illinois 60008

Dear Dick:

I hope you stayed up long enough the other night to see the piece based on the newspaper clipping. You certainly have become an institution -- and deservedly. You may not know that I am leaving NPACT this week to return for awhile to the BBC in England.

I'm sure our paths will cross again and in the meantime, all good wishes to the family and the cats.

Yours sincerely,

Robert MacNeil
Senior Correspondent

RM/cg
