Dear Mr. Johnson,

We want to thank you for allowing us to print "On The Campaign Trail With A Presidential Hopeful". Your documentation is of special interest to our suburban readers and neighbors.

Certainly you will never forget the experience that few are afforded. And documenting those experiences, brings a presidential campaign closer to home for all of us.

We appreciate your offer and feel printing the story in our newspapers is a benefit to us and hopefully also to you.

Sincerely,
Douglas Ray
