Dear Richard and Mary Ann:

Both Mrs. Wittmer and I were, indeed, agreeably surprised to see you both – on TV Channel 11, for a full-hour program last night. We both thought you did exceedingly "great". Before the program was aired, I called Norb & family, in Mt. Prospect, and they, too, caught you in your "starring roles".

We were proud that we had had a small part in your lives, while you were members of Bethesda. It was extremely satisfying to us, to see Mary Ann writing out your monthly checks – with the first one for the Lord's work. That's the way it should be. Keep that up in the future, and "all will be well," according to God's own promises.

And, Rich, your confrontation with Sen. George MacGovern (on the plane) was well done, we thought. We most heartily agree with your opinion, "he does change his mind very often".

We hope, therefore, you will vote for the only man

to continue to lead this nation — in the next four years — Richard M. Nixon, on November 7th.

May God abundantly bless you both, and your family, in the years that lie ahead. Give our kindest regard to Joyce, and her daughters, too.

Very sincerely,

Pastor and Lorna Wittmer.
