MEMO

VICTOR S. PODELL

9/12/76

Dear Mrs. Johnson,

I wouldn't presume to advise you on your choice for President. However, if you will permit me, your grammar needs a little help.

There is no such word as <u>effectualize</u>. The word you are looking for is <u>effectuate</u>. You effectuate change; you effectuate a solution to a problem etc.

Sincerely yours,

Victor S. Podell
